New Area Code

South Carolina will soon add a third area code by dividing the current 803 code. During the past several years, the state has experienced a phenomenal demand for new telephone numbers, especially along the Coastal area and in the Pee Dee region.

The **new area code will be 843** and will be used by the Coastal and Pee Dee areas of South Carolina including Charleston, Summerville, Hilton Head, Beaufort, Florence, Marion, Benettsville, Dillon and Myrtle Beach. Only the area code will change; seven-digit local phone numbers in the Coastal and Pee Dee areas will remain the same.

Permissive dialing of 843 will begin on **March 22, 1998**. Mandatory dialing will begin **September 27, 1998**.
